## **Age of Myth: Book One of The Legends of the First Empire** Michael J. Sullivan

Michael J. Sullivan's trailblazing career began with the breakout success of his Riyria series: full-bodied, spellbinding fantasy adventures whose imaginative scope and sympathetic characters won a devoted readership and comparisons to fantasy masters Brandon Sanderson, Scott Lynch, and Tolkien himself. Now, Sullivan's stunning hardcover debut, *Age of Myth*, inaugurates an original five-book series--and one of fantasy's finest next-generation storytellers continues to break new ground.

Since time immemorial, humans have worshipped the gods they call Fhrey, truly a race apart: invincible in battle, masters of magic, and seemingly immortal. But when a god falls to a human blade, the balance of power between men and those they thought were gods changes forever. Now, only a few stand between humankind and annihilation: Raithe, reluctant to embrace his destiny as the God Killer. Suri, a young seer burdened by signs of impending doom. And Persephone, who must overcome personal tragedy to lead her people.

The Age of Myth is over; the time of rebellion has begun.
