In the Greene & Greene Style: Projects and Details for the Woodworker Darrell Peart

Legendary architects and designers Charles and Henry Greene created a uniquely American style in the Arts & Crafts tradition, and this book combines a detailed understanding of their design aesthetic with specific shop instructions for re-creating their works. Filled with step-by-step instructions, extensive illustrations, and full-color photographs, the book features several full projects for making replica Greene & Greene furniture complete with authentic details such as ebony plugs and splines, waterfall legs, and curved drawer pulls. Showing today's woodworkers precisely how the Greenes achieved their unique designs, "In the Style of Greene & Greene" also includes valuable advice on incorporating Arts & Crafts elements into new designs.
