Victor Paz Otero

La otra agonía: La pasión de Manuela Sáenz (Villegas Memorias Poéticas) Victor Paz Otero

This poetic piece about Manuelita Sáenz, Simón Bolívar's greatest love, digs into her personal history and uncovers a woman who questioned the moral and social codes of her time to fight for freedom. Her story echoes the vital female presence that exists just below the surface of Latin America's unfolding history.

Within Colombian literature—and perhaps even all Latin American literature—no storyteller has such refined technique and style as Víctor Paz Otero. This finely crafted history follows in the footsteps of his previous book about Bolívar and Sáenz, *The Erotic Agony*.

Este texto poético sobre Manuela Sáenz, el gran amor de Simón Bolívar, explora su vida personal y descubre una mujer que cuestionó las reglas morales y sociales de su tiempo, usando su vida para conquistar la libertad. Así, su narrativa reivindica la presencia vital del elemento femenino en la configuración del vacilante destino de América Latina. En la historia de la literatura colombiana—e incluso en la historia de la literatura hispanoamericana—tal vez no exista un fabulador con facultades tan elevadas como las de Víctor Paz Otero. Esta obra continúa, por lo demás, el hilo narrativo que inició con su primer libro sobre Bolívar y Sáenz, *La agonía erótica*.
