New Hampshire Rail Trails (New England Rail Heritage)

Charles F. Martin

New Hampshire Rail Trails (New England Rail Heritage) Charles F. Martin

New Hampshire Rail Trails is the most comprehensive guide yet written on multi-use rail trails in New Hampshire. Charles F. Martin has logged hundreds of hours and even more bicycle miles exploring every available trail on the rights of way of this state's former railroads. With inviting prose, 95 meticulous maps, and 180 photographs of railroad artifacts, scenery, and trail conditions, he shares his experience and expertise in this well-researched guide, which includes capsule histories of the railroads that operated here followed by detailed descriptions of the trails that have taken their place. Each trail description includes ratings of the trail surface condition and the scenery that can be seen from the trail; a list of permitted uses (from walking and biking to horseback riding and snowmobiling); clear instructions for parking and for accessing the trail; and comprehensive notes on natural and historical sights, as well as railroad artifacts, that trail users will see along the way.
