Rescue on the Outer Banks (On My Own History (Paperback)) Candice F Ransom

Introduce young readers to history through the stories of both real and fictionalized people. By focusing on a single important episode that describes a historical event, these books engage readers' interests and imaginations. Written in a story format, each account relates events that really happened, often followed by a brief summary of the historical event to further explain the significance it had on history. On October 11, 1896, ten-year-old Sam Deal and his horse, Ginger, watch as the brave surfmen of Pea Island struggle to save the lives of nine people stranded on a shipwreck. Sam has dreamt of becoming a surfman just like the all-African-American crew, and this is his chance. Can he and Ginger help the crew rescue the victims, or will they be lost forever?
