Symana She Speaks... Love Mrs Symana Dillingham

"If I speak with the languages of men and of angels, but don't have love, I have become sounding brass, or a clanging cymbal". This book is a collection of love poems broken into the following LOVE sections: "Spiritual Love" which equates to no greater love... "Self Love" Without which we are all lost... "Community Love" Because it truly does take a village... "Relationship Love" The love that haunts yet soothes us all... "Dedicated Love" Because becoming your brother's keeper should always be the goal... There is also a BONUS section which includes all the poems from my first CD entitled "Finally... She Speaks." Which includes some of my most requested pieces like Sallie Mae, Obama, and Penny Candy Mountain.
