When Wishes Collide (Wish Series) Barbara Freethy

In a moment of desperation two strangers make a wish, only to discover that sometimes a wish can take you down an unexpected path. WHEN WISHES COLLIDE, Book #3 in the WISH Series, is an emotionally compelling and suspenseful contemporary romance by #1 NY Times Bestselling Author Barbara Freethy.

Adrianna Cavello's life changed in an instant when a break-in at her restaurant took the life of her boyfriend and left her too traumatized to return to work. Months later, with everything she's ever wanted on the line, Adrianna makes a wish by tossing a coin into a fountain known for making miracles.

Wyatt Randall is also in need of a miracle. Two years earlier, his ex-wife kidnapped their daughter, and Wyatt is desperate to find his little girl. A new lead raises his hopes, but quickly fizzles out. When his coin clashes with another, he sees what little hope he has flying away.

Adrianna and Wyatt soon learn that they have more in common than two coins that collided. In fighting for the lives they lost, they must learn how to trust again. Only then will they discover that meeting each other might not be what they wished for, but exactly what they need.

(Each book in the WISH Series is a standalone story, but shares the common theme of wishes.)
