Ethics of Life: Contemporary Iberian Debates (Hispanic Issues)

The contributors ask the following questions:

- What are the different rhetorical strategies employed by writers, artists, filmmakers, and activists to react to the degradation of life and climate change?
- How are urban movements using environmental issues to resist corporate privatization of the commons?
- What is the shape of Spanish debates on reproductive rights and biotechnology?
- What is the symbolic significance of the bullfighting debate and other human/animal issues in today's political turmoil in Spain?
