NOTE: While reading the series in order is recommended, it is not necessary. Each story is a stand alone title featuring new primary characters with limited overlapping secondary characters.

Hailey Roberts has never had it easy. Despite the scars of a tragic childhood, she's made a life for herself. As a part-time student and loving nanny, she yearns for a family of her own and reluctant Austin Casey, Ethan Cooke Security's best close protection agent.

Hailey's past comes back to haunt her when her long lost brother tracks her down, bringing his dangerous secrets with him. At an emotional crossroads, Hailey accepts a humanitarian opportunity that throws her together with Austin, taking her hundreds of miles from her troubles, or so she thinks.

What starts out as a dream come true quickly becomes a nightmare as violence erupts on the island of Cozumel. Young women are disappearing, community members are dying--and the carnage links back to her brother.

As Austin struggles to keep Hailey's past from destroying her future, he's forced to make a decision that could turn her against him, or worse cost them both their lives.
