How Much Does It Cost For A Piece Of Mind Ryan Costello

This is a book with positive outlooks on the struggles within yourself and the world you live in. Overcoming negativity in a pursuit of happiness and realizing you're the creator of the world you live in. Opening your eyes to the light and making your own path through this beautiful world. We all fall victims to the traps around us, it's pulling yourself out of them and knowing you're worth it, there's always a new day and there's always a new beginning.

BREAKING THE LINKS

The chains held me from touching the surface. Cold rusted links held me back from reaching the light. I can see the freedom in you, the peace behind your eyes. Scratching at the concrete, I try to find what you have. I want it; it's something I've lost. Falling back I look up towards the sky, and then back deep within me. The fight is over. Accepting who I am and where I went wrong I see the truth. No one chained me, I've chained myself. Building walls against the world, they're not protecting me, they've imprisoned me. Breaking the links one at a time, I'm set free I can reach the light again.
