## **Imogene's Eloise: Inspired by a true-love story** Marguerite Quantaine

Witty and endearing, jubilant and insightful, Imogene's Eloise traces the unpredictable journey of a young woman living alone amid the political unrest and social taboos of Manhattan during the 1960s and early 70s, oblivious to her own feelings and those of others until being smitten by the sight of a stranger in town for the weekend whose name and number she's prevented from getting. In trying to appear calm, she downs a glass of gin she's mistaken for ice water, awakening the next morning in a fog — but determined to find that one person in a city of millions before time runs out. On a fast paced track towards an ending you can't possibly imagine, Imogene's Eloise (inspired by a true story) is certain to erase any doubt you might harbor in the existence of love at first sight and forever fortify your faith in happily ever after.
