Dianne Hollis graduated from college and embarked on a quest to find two things - an ideal job and the perfect man. Time proved that finding either one of them was no easy task. Struggling with difficult classes, unpredictable students, and unreliable men, she managed to keep her sanity by maintaining a sense of humor and putting her trust in God. Inheriting her father's stubborn streak and her mother's strong sense of Christian faith, she was determined to make it in her chosen profession, no matter what it took to succeed.
