Blindfold Complete Series M. S. Parker, Cassie Wild

I came from a large family, neither rich nor poor. We never went hungry, but we always had to work for what we wanted. So when I was sent to work as the personal assistant to Isadora Lang, the twenty year-old orphan and multi-billionaire heiress, I knew I could never fit into her world. Not that I had any desire to fit in...that was, until I met her gorgeous ass of an older brother, Ashford Lang. For the last thirteen years, Ashford Lang has been the substitute parent to his younger sister, and when he hears that Isadora has hired a personal assistant named Toni Gallagher, he's determined to do what he's always done – protect his baby sister. The last thing he expects when meeting Toni is a tiny, fiery redhead who doesn't give a damn who he is. A challenge no doubt. One that Ash is more than willing to take. What he doesn't know is that, soon, Toni will be the least of his concerns.

From reader reviews:

Thomas Barreto:

What do you about book? It is not important with you? Or just adding material when you need something to explain what your own problem? How about your free time? Or are you busy person? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have spare time? What did you do? All people has many questions above. They need to answer that question mainly because just their can do this. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need this particular Blindfold Complete Series to read.

Orville Norman:

As people who live in the particular modest era should be upgrade about what going on or data even knowledge to make these keep up with the era and that is always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you personally but the problems coming to you is you don't know what kind you should start with. This Blindfold Complete Series is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Catherine Hudson:

Reading a book tends to be new life style with this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Lots of author can inspire all their reader with their story or even their experience. Not only the storyplot that share in the books. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors in this world always try to improve their ability in writing, they also doing some exploration before they write for their book. One of them is this Blindfold Complete Series.

Ruby Chartrand:
