## **Grand Central Station: Some Relationships Are Just Meant to Be** Marsha Casper Cook

A famous child psychologist, who has authored several bestselling books on raising children, discovers he doesn't know as much as he thought he did when he meets a pediatrician and mother of three. Neither of them imagined how their lives would change when they shared a flight headed for Las Vegas for a medical convention.

For Jack Winston and Victoria Feingold, whatever happens in Vegas doesn't stay in Vegas. It follows them back to Chicago.

Jack doesn't want to fail, but he's not sure he's emotionally prepared to live with Victoria's three children.

Not to mention her mother, sister, dog, and needy ex-husband.

Grand Central Station is a fast-paced ride and a lot of fun!
