From USA Today bestselling author, Alexa Grace, comes the third book in her Profile Series: Profile of Retribution, a spine-tingling story of guilt, vengeance and regret.

### The Dream

Bradley and Tisha Lucas had a mini-mansion in the country, a thriving architectural business, and two handsome, intelligent and athletic teenage sons. They were living the dream, until the day their world imploded and they were thrust into a parent's worst nightmare.

### The Nightmare

Before they had a chance to grieve the untimely deaths of their seventeen-year-old twin boys, they learned the horrific truth. Like a headline ripped from the tabloids, their sons had systematically abducted, tortured, and murdered seven innocent young women.

### The Retribution

For their parents, the nightmare didn't stop after Evan and Devan Lucas snuffed out the lives of seven victims for fun. It was just beginning. At a support group, the families of the women murdered by the Lucas twins gather to tell their stories, share their anger and grief, as they move toward a new normal.

For one member of the group, an obsession for payback drove his days and nights. He pledged to make Bradley and Tisha Lucas pay for the crimes of their sons. It was a pledge he was determined to keep. He'd make them suffer, just as their sons' victims had. Those who spawn monsters shall be judged, shall be condemned. Retribution would be his.

### Racing Against the Clock

It wasn't that Sgt. Cameron Chase didn't have a suspect, he had too many of them.

There were seven families who might want to harm the Lucas couple. But which of them wanted the ultimate in retribution — to see them dead?

If you love thrillers, don't miss this fast-paced, edge-of-your-seat crime fiction read! Profile of Retribution will have your attention in its grips from page one until the end.
