Revised and updated with new words that reflect vocabulary requirements for success in the current SAT's Critical Reading and Writing sections, this card pack presents 300 words on 50 vocabulary recognition cards plus a handy six-card index. The card case is designed with a viewing window. Users slide cards past the window, first to see the word and its part of speech; second, to see the word's definition; third, to see it used in an example sentence; and fourth, to see and learn other words with related meanings. The words presented are among those most frequently found in recent SAT exams. This Level II set presents 300 advanced words for students to learn after they are comfortable with the Level I vocabulary selections, available as a separate set from Barron's. Students who master all 600 words can approach the verbal sections of the SAT and all other college-entrance exams with confidence.
