Dear Sewing Beginner,

Sewing can be as easy as you need it to be. Projects range from extremely simple to complicated. By learning basic skills and building on those with projects geared for your experience level you'll gain the confidence to tackle bigger and more challenging projects.

Bedding, pillows, skirts, bags, pants - what CAN'T you make? Every item can be simplified so you can start putting your imagination to work! A few practice sessions and you'll start to get the feel for the machine and how to work with your materials. Pretty soon you'll make something to be truly proud of!

Get your equipment ready for a sewing frenzy! Once you gain some experience you'll be thrilled to hit the fabric stores and get on to projects you've been holding off on because of the expense of custom work or the lack of availability in the stores.

Here is what you will learn in "Sewing Tutorials for Beginners"
