Futuristic Romance

Dragon Lords Series

Polished, dignified and reserved in all things. That is a true nobleman.

Lady Clara of the Redding, a living statue of perfection, has been raised a true Redde noblewoman. She has been taught to never show emotion, to never raise her voice, to touch as little as possible, and to never act wildly or rashly. According to her people's custom, the new generation cannot begin until the current one is settled. She is the last of her siblings without a husband and her pregnant sisters will remain in stasis until she's married.

After Clara denies all suitable males on her home world, her parents are left with one choice--send her to a primitive planet where several noblemen await marriage. The men hardly appear picky about their choices, a perfect arrangement for a reluctant bride.

An uninhibited woman to match his untamed soul. That would be his ideal wife.

Lord Vladan, Ealdorman Honorary of the Draig is not like his noble brothers. Adopted into their family after a mining accident killed his parents, he is every bit as titled as his new brothers, and every bit as welcome into the fold. Yet he can't help but feel the pull of his commoner past. He loves his family, and will always do as duty demands, but a part of him still yearns to shift into dragon form and run free in the wild. It is a side he indulges every chance he gets. This is how he knows his bride will be the most wild of creatures, for he wants passion, not perfection. Surely the gods are mistaken when they bind him to the most refined, reserved, frustratingly perfect creature in the universe.

Warning: This book contains an alpha male reluctant to take his place as a nobleman preferring to run free in the forest and a woman unwilling to marry anything but a cultured and refined gentleman. Oh, and she doesn't like to get dirty...well, until now. Contains adult content. Must be 18 years or older to read.

ABOUT THE SERIES: The Noblemen brothers aren't new to the sacred Qurilixian bridal ceremony. After several failed attempts at finding a bride, it's hard to get excited about yet another festival. No matter how honorable they try to live, it would seem fate thinks them unworthy of such happiness--that is until now.

With very few words spoken and the shortest, most bizarre courtship in history, they will bond to their women forever. And once bonded, these men don't let go... Too bad nobody explained this to their brides.
