Who We Are William L. Pierce

Originally published as a series in his newspaper and magazine, this book is the final work of one of the most famous leaders of the White nationalist movement in America. Starting with the evolutionary origin of the White race, this book focuses on the the Classical Grecian and Roman civilizations, the White nations of the Middle East, the rise of the Germanic powers, the Vikings, Christianity, Nazi Germany, World War Ii and the racial crisis facing the West today. It contains, characteristically for the author, a highly critical appraisal of Jewish influence in Europe, and ends with a proposal of how the essence of the west can be saved. The book contains the entire text and almost all the illustrations which accompanied the original. It has also been fully indexed.
