As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this I wish I was a kid can make you really feel more interested to read.
