Mogul, Mom, & Maid: The Balancing Act of the Modern Woman Liz O'Donnell

The state of working women has been declared and debated since the days of Rosie the Riveter. The headlines, and the statistics behind them, however, don't tell the whole story. The truth is, many women today are breadwinners; and these breadwinners are struggling. They are caught in a perfect storm of male-dominated culture at work, traditional social norms at home, and outdated schedules in the school. *Mogul, Mom, & Maid* takes an honest look at how women are balancing home life and career. The pressures of child rearing, coupled with an unfulfilling corporate culture, are too great to be ignored. Author Liz O'Donnell goes beyond statistics and tells the stories of women all across America who are juggling careers, motherhood, marriage, and households. *Mogul, Mom, & Maid* looks at the choices women are making, the options they have, and the impact these decisions have on themselves, their families, and the businesses that employ them.
