1984 (Spanish Edition)

George Orwell

1984 (Spanish Edition) George Orwell

George Orwell fue un escritor y periodista británico, cuya obra lleva la marca de las experiencias personales vividas por el autor en tres etapas de su vida: su posición en contra del imperialismo británico que lo llevó al compromiso como representante de las fuerzas del orden colonial en Birmania durante su juventud; a favor de la justicia social, después de haber observado y sufrido las condiciones de vida de las clases sociales de los trabajadores de Londres y París; en contra de los totalitarismos nazi y stalinista tras su participación en la Guerra Civil Española. Además de cronista, crítico de literatura y novelista, Orwell es uno de los ensayistas en lengua inglesa más destacados de los años treinta y cuarenta del siglo XX. Sin embargo, es más conocido por sus dos novelas críticas con el totalitarismo y publicadas después de la Segunda Guerra Mundial, *Rebelión en la granja* (1945) y *1984* (1949), escrita en sus últimos años de vida y publicada poco antes de su fallecimiento, y en la que crea el concepto de «Gran Hermano», que desde entonces pasó al lenguaje común de la crítica de las técnicas modernas de vigilancia.
