## **99+ Best Free Internet Marketing Tools And Resources To Boost Your Online Marketing Efforts**

The “build it they’ll come” strategy doesn’t work anymore. In fact, more than 60 percent of the businesses plan to invest heavily into marketing in 2016, leaving a tough challenge to the ones on a low budget. But don’t worry; this book includes an incredible list of FREE internet marketing tools.

Well, do you really need tools for your internet marketing efforts?

I’d love to answer that question anytime – Aren’t shortcuts just the best?

I’ve been into internet marketing for many years now. All through these years I’ve tried hundreds of tools, few were pathetic but most of them did their job. So what you’re going to get from this book is an “ultimate” list of the best free internet marketing tools, that I’ve tried myself.

Why 99+ why not just 99 tools?

When I started writing this book I actually had this in my mind to give you 99 tools. But in the due course I didn’t count the number and I ended up with around 110 tools on the list. Well, I didn’t want to remove the extra tools thinking that you might find those additional tools handy. That’s the reason “99+” in the title.

Let me also tell you that there are no affiliate links placed in the book or neither any of the tools is a sponsored placement.

I’ve included two bonus modules as well.

Bonus #1: Top Paid Internet Marketing tools. Though this book completely focuses on free tools, it’s pretty certain that at some point in time you’d want to go for Pro and enterprise level featured tools. Use this module as a reference guide.

Bonus #2: Free Stock Image Resources plus Resources to 250,000+ Free Icons. Now, this is a killer! You can download high resolution images and vector icons for your projects (both personal and commercial).

Who is this book for?

This book is for everyone who’s striving to make a strong impression in this noisy digital world.

There’s something’s in for:-

- Blogging
- Graphic Design
- Keyword Research and Monitoring
- SEO Tools

- Link Building
- Kindle/E-Book writer
