Why is it often so difficult to build healthy relationships with our coworkers? The grumpy boss, the arrogant team member, the lazy employee, or the backbiting woman may be part of our workplace reality, and it may be easier to blame them for our workplace woes. But, the easy blame isn't always the best solution. A Woman and Her Workplace shows women how God can perform a deep heart transformation within us that will allow His love and care to flow through us to the people in our workplaces. By delving into the issues that wreak havoc on our workplace relationships, author Rosemary Flaaten provides readers the help they need to develop and apply strong biblical principles of humility, integrity, forgiveness, grace, and celebration in the workplace. Through discussing relationships such as boss to staff, woman to man, woman to woman, and teamwork, Flaaten guides women on a transforming journey through the common workplace difficulties as they develop healthy interaction in their workplace.
