When a hot substitute teacher has an accident in the middle of class, the students take advantage and are sure to capture everything on camera. She is taunted and humiliated as it just keeps getting worse and worse.

"squatting in my four inch heels, my naked p**sy and a** on display to over twenty kids I waited in revulsion as one final all-encompassing throbbing and viscous wave of pain cascaded through me until finally I could hold out no more. As I looked up I noticed that all the kids had by now left their seats and they were watching my dirty demonstration in deepest suspense from all imaginable vantage points. They knew they were witnessing something truly monumental.

As the resistance from my sphincter finally ceded, I could feel an almost volcanic eruption shooting from me. Some kids from behind could actually see as the poop departed my a** and began it's long fall onto the ground, whilst others in front watched my squirming, sweating face with tears falling down as I contorted mercilessly aware of the exhibition I was providing. Only then did I see the multitude of phone cameras, even a video camera all catching me at some unflattering angle and whilst I knew it was a horrible prospect I did not want my naked image to be broadcast carrying out this most foul of deeds. So in perhaps a moment of madness I grabbed my panties and as the first elongated turd was dropping unceremoniously from my bum I yanked up my white cotton panties catching the excrement mid-flight and hoisted them back up towards my still gushing behind. As it made contact with my derriere it rubbed and squeezed all around my now freshly covered bottom. The smell was noxious and the scene was unrelenting.

Unfortunately for me the poop just kept on coming. Within seconds the panties filled and almost unnaturally I felt my now destroyed panties were full to the brim and the fecal matter like river banks at flood time over flowing out my panties in all directions. I was astonished at the sheer volume and velocity of what was happening as I'm sure was the captivated school goers.

The scowls of disgust and derision continued as after a brief respite another massive surge came cascading from my anus. This time the departure of excrement was so violent and explosive that even as I squatted there in my four inch heels, with my hands on either side of my cramped stomach, the sheer volume of fecal matter sent my panties slithering down my legs leaving a brown filthy trail in its wake"
