Matchless (First Edition)

Gregory Maguire

Matchless (First Edition) Gregory Maguire

Every year, NPR asks a writer to compose an original story with a Christmas theme. Gregory Maguire reinvents the Hans Christian Andersen classic "The Little Match Girl" for a new time and new audiences. - When it was first translated from Danish and published in England in the mid-19th century, audiences likely interpreted the Little Match Girl's dying visions of lights and a grandmother in heaven as metaphors of religious salvation. "Matchless," re-illuminates Andersen's classic, using his storytelling magic to rekindle Andersen's original intentions, and to suggest transcendence, the permanence of spirit and the continuity that links the living and the dead. Genre: Fairy tales-Interpretation; Fiction-Contemporary. White cover with red lettering on the spine.
