Talent wins games, but teamwork and intelligence win championships. This perfectly describes football. Many may not be a great fan of this game like other sports, but many had already considered football to be part of their lives. Teamwork, together with intelligence, are the two most important ingredients for a group to win in a football game. This is not just the secret to win a football game but also value that one can treasure in his life. That is why in some schools, physical education teaches sports like football to all their students. And for students who are die-hard football fans, there is a football superstar you will be truly captivated by his skills, and that is none other than Peyton Manning.
