Raven Johnston isn't your typical college student. More concerned with studying than partying, she finds her only reprieve from academics in a cafe a few doors down from her apartment complex. However, said cafe offers more to interest her than just lattes and poetry nights.

From afar, Raven crushes on a mysterious older man, wondering if he can satisfy her in a way her peers can't. One fateful day at the campus clinic, however, Raven finds that not only is her mysterious stranger a campus employee, but a doctor - and he's about to give her a very HANDS ON examination.
