Say You're Mine (Dubious Book 5) Aliyah Burke

One's weakness is another's strength.

Casimir Lars is the Alpha of the Tatra Pack. He fought hard to become the leader he is today. He refuses to show weakness or allow others to take advantage of him. He's dedicated to his pack, strong and fearless, yet his life is thrown into upheaval when he has to track down a very specific woman: his wife.

Dyana Vance is a headstrong professional archer—not the type to trust blindly when a stranger shows up claiming to be her husband. There's no denying the explosive chemistry she has with Casimir, but she isn't pack and refuses to be bound by their laws.

Casimir is torn between his growing feelings toward her and what he believes is his duty to mate with a pack female. Dyana learns to deal with loss and discovery of something new. Death, plots, and undeniable passion all fly around this couple. When he accepts what is to be, will he be too late or will his pride have pushed her away forever? Will she ever look at him and say you're mine?
