The Power of a Positive No Joe Crews

Holiness is not a passive activity in which we sit back and allow God to separate us from sin. Rather, obedience is an active part of a living faith in Christ. Unfortunately, in this day and age, sin runs rampant with cultural approval, making it that much harder for God's people to choose to do the right thing when confronted with temptation.

In this intensely important book, Joe Crews courageously exalts the work of sanctification in every Christian life, giving you important advice and Bible-based inspiration to stand up to every sin with the power of a positive "No!"
