Woolgathering: Essays on life, business and faith Justin Blaney

This collection of short essays from #1 bestselling author Justin Blaney covers wide ranging topics such as leadership, time management, J.K. Rowling, living with teenagers, innovation and bikinis. “Justin's work is powerful because of the wealth of his tools and techniques and the restraint he employs them with. He creates large ideas and galvanizes others to step up, not with concrete, steel, and cranes, or polished oratory or broad gestures, but by standing relatively still and impassive, quietly speaking and sharing what is, and what could be, with power and conviction rather than theatrics.” Roger Parker, Bestselling Author “I love Justin's simple, practical approach to thinking. This collection is easily worth 10 times the current price. I highly recommend it to anyone who is looking to get more done and achieve better results. Buy it.” Michael Nichols, Author, Entrepreneur and Trainer
