Because the EXTREMELY VERY LARGE SIZE FILE of the book (71 MB), exceeds Kindle technical limit and possibilities of uploading it as one whole piece, we had no other options than dividing it into 6 parts, each containing approx. 10.5 MB. We apologize for any inconvenience we have caused in doing so, but that's is the only way we could have done it, uploaded and posted the book as a Kindle edition. However, you can always purchase the whole book in its entirety as a paperback edition at lulu.com at a regular book price.
