In small-town Maine, unhappily retired Howard Woods is shaken awake one morning by his wife, who confesses to a devastating affair. To the utter dismay of his family, Howard refuses to forgive her. Instead, he vows to travel to Pamplona, Spain, in the footsteps of Hemingway to join the annual running of the bulls. His life promptly descends into chaos. But how does a middle-aged homebody, who has never even done his own laundry, salvage his manhood and pride and learn how to rebuild his life on his own?

At once wickedly funny and achingly poignant, *Running the Bulls* is a testament to the fact that even when ordinary lives are thrown into chaos, love and common sense will eventually triumph.
