The Laura Line Crystal Allen

A touching and funny story of one girl's journey to discover where she came from and the unlimited possibilities of who she can become, from Crystal Allen, the acclaimed author of *How Lamar's Bad Prank Won a Bubba-Sized Trophy* and *The Magnificent Mya Tibbs: Spirit Week Showdown*.

Laura Dyson wants two things in life: to be accepted by her classmates and to be noticed by ultracutie baseball star Troy Bailey. But everyone at school teases her for being overweight, and Troy won't give her a second glance. Until one day, their history teacher announces a field trip to the run-down slave shack on her grandmother's property. *Heck to the power of no way!*

Her grandmother insists that it's more than just an old shack; it's a monument to the strong women in their family—the Laura Line. But Laura knows better: her classmates will never accept her once they see the shack. So she comes up with the perfect plan to get the trip canceled . . . but when a careless mistake puts the shack—and the Laura Line—in jeopardy, Laura must decide what's truly important to her. Can Laura figure out how to get what she wants at school while also honoring her family's past?

From reader reviews:

Wayne Santiago:

Do you have favorite book? If you have, what is your favorite's book? Reserve is very important thing for us to find out everything in the world. Each reserve has different aim or goal; it means that reserve has different type. Some people truly feel enjoy to spend their the perfect time to read a book. They may be reading whatever they consider because their hobby is actually reading a book. Think about the person who don't like reading a book? Sometime, man or woman feel need book when they found difficult problem or exercise. Well, probably you'll have this The Laura Line.

Daniel Ellis:

The book The Laura Line can give more knowledge and also the precise product information about everything you want. Why must we leave the best thing like a book The Laura Line? Wide variety you have a different opinion about guide. But one aim that book can give many details for us. It is absolutely suitable. Right now, try to closer together with your book. Knowledge or data that you take for that, you can give for each other; you may share all of these. Book The Laura Line has simple shape but you know: it has great and large function for you. You can seem the enormous world by open up and read a book. So it is very wonderful.

William Stewart:

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a expertise or any news even an issue. What people must be consider whenever those information which is inside former life are hard to be find than now's taking seriously which one is appropriate to believe or which one the resource are convinced. If you receive the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Laura Line as the daily resource information.

Carol Hamilton:

This book untitled The Laura Line to be one of several books this best seller in this year, this is because when you read this publication you can get a lot of benefit on it. You will easily to buy that book in the book retail store or you can order it by using online. The publisher with this book sells the e-book too. It makes you easier to read this book, since you can read this book in your Smartphone. So there is no reason to you to past this reserve from your list.
