Fed to the Wolves, Part 3: Blood Moon Rising: (A Southern Werewolf/Shifter Romance) (Cattail Creek Book 1) Delilah Fawkes

Tonight's the night I give myself to the wolves...

Tonight's the night I let them devour me, ravage me, and hopefully breed me.

Tonight's the night that I find out just how brave I really am. How much I'm willin' to give to use my gift of Healing on these savage men, the Boucher Brothers sufferin' under the curse of the Rougarou...?

But even though every fiber of my bein' is achin' to be touched and tasted and filled by these three gorgeous men, I can't help but feel like that scared little girl who all the kids called "Spooky Gordon."

What if they hurt me? What if I cry out, but the beasts have taken over? What if they won't stop?

... What if I don't want them to?

No matter how much I trust the Boucher Boys, they're still killers. Dangerous, to say the least, the beasts inside them barely restrained, and howlin' to be free. Only one thing's certain...

After tonight, things will never be the same.
