Put down your bestsellers, it's time for a little Pirates 101.

How does anyone know about a pirate if he takes no prisoners, leaves no witnesses and shows no mercy? Fifteen-year-old Samuel Burke would like to know. Life has a funny way of answering questions. Sam was living out his fantasy as a midshipman aboard the *Dolphin* when Captain Silversword attacked. He quickly learns the truth when he is press-ganging into service aboard the *Black Flag*.

Armed with the knowledge of the pirate's only weakness, Sam must face his fear and confront Silversword again to save his life, his friends and spare England, and the world for that matter, from the pirate's tyranny or die trying.

Fog of Fortune is book one of the Silversword Chronicles, a historical adventure series with a fresh spin on the business of pirating.

Rediscover the thrill of the sea in this clean action adventure story. Experience the romance of a time gone by. Feel the lust of pirate's treasure. Find the strength to walk away from the temptation.
