Candide means innocent. Candide is a very innocent young man living in the castle of the Baron Thunder-tronckh in Westphalia. Some of the old servants believe that he is the son of the Baron's sister. The Baron's sister refuses to marry Candide's father because his degree of nobility is less than hers. Candide lacks knowledge of the outside world. He believes that this castle is the best place to live in. He considers it ideal. One day he and Cunégonde, the Baron's daughter are seen in romantic positions. So he is kicked and thrown out of the castle

Zadig ou la Destinée (Zadig, or The Book of Fate; 1747) is a famous novel and work of philosophical fiction written by Enlightenment philosopher Voltaire. It tells the story of Zadig, a philosopher in ancient Babylonia. The author does not attempt any historical accuracy, and some of the problems Zadig faces are thinly disguised references to social and political problems of Voltaire's own day

Micromégas is a 1752 short story by the French philosopher and satirist Voltaire. Along with his story "Plato's Dream", it is a seminal work in the genre of science fiction, and is a significant development in the history of literature.

The tale recounts the visit to Earth of a being from a planet circling the star Sirius, and of his companion from the planet Saturn.

François-Marie Arouet (21 November 1694 – 30 May 1778), better known by the pen name Voltaire, was a French Enlightenment writer, essayist, deist and philosopher.

Voltaire was known for his sharp wit, philosophical writings, and defense of civil liberties, including freedom of religion and the right to a fair trial. He was an outspoken supporter of social reform despite strict censorship laws in France and harsh penalties for those who broke them. A satirical polemicist, he frequently made use of his works to criticize Church dogma and the French institutions of his day. Voltaire is considered one of the most influential figures of his time.

John Morley, 1st Viscount Morley of Blackburn OM PC (24 December 1838 – 23 September 1923) was a British Liberal statesman, writer and newspaper editor. Initially a journalist, he was elected a Member of Parliament in 1883. He was Chief Secretary for Ireland in 1886 and between 1892 and 1895, Secretary of State for India between 1905 and 1910 and again in 1911 and Lord President of the Council between 1910 and 1914. Morley was a distinguished political commentator, and biographer of his hero, William Gladstone. Morley is best known for his writings and for his "reputation as the last of the great nineteenth-century Liberals". He opposed imperialism and the Boer War. His opposition to British entry into the First World War as an ally of Russia led him to leave government in August 1914.
