Guía de Biomagnetismo para Terapeutas (Spanish Edition) Societat Catalana de Biomagnetisme

Esta guía de Biomagnetismo no pretende de ningún modo sustituir los cursos de formación presenciales, únicamente es una herramienta de apoyo en las consultas en que el terapeuta no tenga formación naturopática. Todos sabemos que la magnetoterapia era utilizada por los médicos egipcios, concretamente utilizaban la magnetita natural. Los antiguos médicos chinos también habían utilizado la magnetita para imantar agujas, agua, e inclusive aplicada localmente para el dolor. En la Europa antigua también los alquimistas habían utilizado la magnetita con fines terapéuticos, el gran alquimista Paracelso fue uno de ellos. Pero su uso terapéutico para eliminar todo tipo de patógenos fue creado por el Dr. Isaac Góiz en 1.988 en México. El Dr. Góiz descubrió que todas las enfermedades patógenas tienen 2 puntos de resonancia, un punto alcalino y otro ácido. Esto significa que la utilización de las 2 polaridades del imán es necesaria, la polaridad negativa corresponde al polo sur magnético (no geográfico), y la polaridad sur corresponde al polo norte magnético.
