Highland Lover: Murray Family, Book 12 Hannah Howell

A reckless need to break free of his family led Gregor MacFingal Cameron on a quest for a rich bride, only to fall prey to kidnappers and be tossed into a cold cell. He is soon joined by a frightened young woman who makes him regret his mercenary search for a wife. After a daring escape, he gladly joins Alana Murray's quest to rescue her sister, and soon temptation leads to seduction, with unspoken promises easily made, but harder to keep. Alana knows the bond forged by danger and desperation has earned her an ally willing to fight for her sister's cause. But Gregor's tantalizing seduction leaves her breathless, and she seizes her one chance to experience true passion before an arranged marriage seals her fate-never anticipating the inescapable intensity of a man and a love that will change everything.
