Leonard and Alison Robbins disagree about how big a mistake their college student daughter is making by joining the radical Students for Palestinian Justice (SPJ).

Alison believes Courtney needs to be allowed to make her own decisions, but retired CIA agent Leonard, who heads up a counterterrorism task force, fears she's in over her head. Neither, however, foresees the real danger their daughter faces.

Anti-Israeli terrorists are recruiting SPJ members to bomb Jewish organizations and they have their sights on Courtney.

If Courtney doesn't see the truth in time, it will be up to her parents to stop the terrorists before their daughter becomes their latest victim.
