Thin Red Line is a powerful 4-volume study that engages participants in tracing God's plan of redemption. Volume 1 uses select scriptures from Genesis to Deuteronomy. Using a chronological storying approach, participants have the framework to connect the thin red line through all Scripture. Written as a 52-week study, this transformational curriculum is broken down into 4 volumes that can be used individually or consecutively. The question-based format makes it a unique and easy-to-use tool for small groups.
