Walking Into The Light is a 6 week Bible study journal on the book of Ephesians. It will guide us deeper into the Word of God, as we choose to meet with God with the help of this journal. It offers us plenty of space to journal our thoughts and prayers. And, includes one other scripture to go along with that day's Ephesians passage. Each day, our study will include the following - ::Ephesians Scripture:: Each day, we will write out and study a small portion of Scripture. Most days, the assigned passage is not longer than 4 verses. ::Looking Up:: This is where we pull in one other Scripture, to write out – that connects to what we are studying on that particular day. ::Journal:: This is simply a place for you to journal your thoughts, as you open up to the Holy Spirit and watch Him rain down on your life, sharing His incredible truths, wisdom, and power. We get the sheer joy of watching Him get to work in every area you are willing to give Him. ::Prayer:: This is a sacred place. where you will connect what you are reading to your love relationship with the Father through Jesus Christ. We want to not just apply it to our lives, but see it bring us life with the Father through Jesus. When we talk with someone, we want to get their feedback. Why would we expect God to be any difference? He wants to hear from you. He wants you to share, as you write out and consider His Word.
