Worlds Between (River of Lakes Book 2) Carl Nordgren

In *Worlds Between*, book two of the *River of Lakes* series, readers are immersed in the idyllic setting of the fishing camp Maureen and Brian have built with Joe Loon's clan along the English River. The visit of IRA sympathizers, the building of a hydro-electric dam, and a dangerous accident provide a chilling reminder that old threats still lurk even as new dangers emerge. Even as she celebrates the extraordinary birth of her child, Maureen continues to battle the ghosts of her IRA past. Brian grasps at the fraying promises of Eden as his world is torn apart. The Ojibway find their land and traditions further curtailed by the encroachment of the modern world. And This Man watches out over all. In this evocative series spanning oceans and decades, award-winning author Carl Nordgren weaves a tale about the power of dreams and the dangers of ghosts who haunt our past.
