You can find in the book 18 dance tunes from Caslav region. These melodies were collected for Gubernatorial collection which was founded in 1819 on the territory of former Austro-Hungarian Empire. It records songs and instrumental dances that were played at that time. Only melodies are recorded in the collection. That is why I added own harmonisation and arranged. Finally, I added two dance sets as an inspiration of what you can do further with the songs. The are in the book songs without text.
