My name is Phoebe Rendon. Growing up as the only girl surrounded by the Sinful Souls MC community has never been easy. Outside of the club, I had no life because my brother and his two psycho best friends kept tabs on me. My only out was racing at Point Hellers, the largest and steepest drift mountain in Westbeach, California. Cars were my life, and eight years later, that hasn't changed. Only now, I have the funds to support my habit. My love life's been rocky. All I've known of love is twisted biker men from other MC chapters. Until I met Ryder Oakley, the lead singer and rock god from Twisted Transistor. He showed me the world in two weeks. Then one night he up and left me, without so much as a note. Now, two years later, I've been assigned as a fashion assistant to go on tour with Alyx Munroe, pop princess and diva queen. Only my shitty boss Maree omitted to inform me that Alyx Munroe would also be touring with Twisted Transistor. Just when I thought I'd forgotten Ryder, he comes back into my life in full force, causing me to slowly lose traction of my feelings. With my plans for building my own racing circuit underway, I finally have the footing to leave the fashion industry and concentrate on finalising my circuit. Where we can showcase some of the best and hottest girl racers from around the world. This empire is mine, but with power and money comes hate and destruction. Welcome to Westbeach.
