A heartwarming tale in the middle of the zombie apocalypse. Meet Sarah and David. Once upon a time they met and fell in love. But now they're on the verge of divorce and going to couple's counseling. On a routine trip to their counselor, they notice a few odd things - the lack of cars on the highway, the missing security guard, and the fact that their counselor, Dr. Kelly, is ripping out her previous client's throat. Meet the Zombies. Now, Sarah and David are fighting for survival in the middle of the zombie apocalypse. But, just because there are zombies, doesn't mean your other problems go away. If the zombies don't eat their brains, they might just kill each other.
