## Philip's Street Atlas Sheffield and Rotherham (City Street Atlases)

This new street atlas of Sheffield, Aston, Beighton, Chapeltown, Dore, Dronfield, Ecclesfield, Killamarsh, Rotherham, Stannington, Stocksbridge and Wickersley gives comprehensive and detailed coverage of the area with 102 pages at an enlarged scale of 4.5 inches to 1 mile, and four pages of ultra-large coverage of central Sheffield at 7 inches to 1 mile. The maps are prepared to the same specification as all titles in the Philip's street atlas series. The contents include a route-planner: four pages of detailed Navigator[registered] mapping giving an overview of the whole area covered by the atlas and marking all major and minor roads; a two-page guide to the top visitor attractions, and an index of street names and postcodes. The maps show every named road, street and lane, with visitor attractions clearly marked, and one-way streets, pedestrian areas and through-routes all highlighted. Schools, colleges, hospitals, police stations, post offices, car parks, sports centres and local government offices are all featured. Pocket sized, and wire stitched so that it opens out flat, the atlas is ideally suited for both business and leisure use, whether by locals or visitors.
