Would Jesus recognize the church in America today? Does the American church resemble the apostolic church of the first century? Does the church in America move in the same power and authority as the early church? If the answer to any of these questions is "No", then the American church has a very serious problem on its hands. "Restoring Sanity in the Western Church" is a Five-Part excursion that examines the status of the American church. Utilizing scripture to paint a vivid picture of the foundation of the early church and using it as a litmus test, the church of today in America seems like a foreign entity. Learn about how the things being taught in pulpits all across the nation and over the airwaves of Christian Television and Radio are facilitating anti-kingdom and schizophrenic mindsets. Witness how and why the church has become withdrawn and has abandoned its calling to be salt and light in America. Understand the root cause of the downward spiral of the American church. But also, take joy in knowing that there is a remedy to the problem and that the church in America will awaken from its slumber and have the impact in the earth that it was created to have. God wants to do a new thing in the American church, but it will require re-investigating scripture and dealing with overt biblical illiteracy.
