A string of events has left the entire human civilization to fend off for themselves in a new world. As technology has come to an end, man needs to rely on his natural instincts. As each person begins to learn more about surviving, he or she becomes stronger and is intuitive with special abilities that have been unlocked. As the book unfolds, we will discover how a group of friends grow together despite of obstacles that they face whether it's defending themselves from other groups or dealing with feelings for one another.
