## See sociology in everyday life

**Society: The Basics** utilizes a complete theoretical framework and a global perspective to offer students an accessible and relevant introduction to sociology. John Macionis, author of the best-selling Introductory Sociology franchise over the last three decades, empowers students to see the world around them through a sociological lens, helping them to better understand their own lives. Informative as well as engaging, **Society: The Basics** will change the way readers see the world, and open the door to a new perspective and new opportunities. In addition to extensively updated data, the **Fourteenth Edition** offers engaging discussions of hot-button contemporary topics such as the increased proliferation of social media as well as expanded coverage of race, class, and gender.

## Enhance learning with MySocLab

MySocLab for the Introductory Sociology course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Please note: this version of MySocLab does not include an eText.

**Society: The Basics**, Fourteenth Edition is also available via **REVEL™**, an interactive learning environment that enables students to read, practice, and study in one continuous experience.
